Pre-Hash

Hua Hin hashers assembled at a point just west of Space Cowboys abode at Tippawan 5 for the post-Christmas run. Obviously all had over-indulged and were hoping to trim some pounds off as a record number of 88 were in attendance, toppling the previous record set at the 2012 post-Christmas run by three!!

The Hares offered the usual misinformation regarding the track and denials about false trails and number of checks together with the threat of dogs, cattle and barbed wire kindly wrapped with Christmas tinsel and then we were off.

The Trail

Tinks Runners Trail GPS

The Hares were kind to us and for the walkers apart from the annoyance of a few checks and false trails all was well. We arrived at the split and the runners disappeared on a 2.5 km loop before they rejoined the walkers on the only real incline of the trail which was a single track

and made to measure for the vertically challenged.....confirmed by 69 Forever who tried to head butt his way through and failed!! All in all a great trail and the front walkers were indulging in Leo and other delights in around 45 minutes.

Post Trail and Circle

Despite strenuous denials in emails prior to the event Miss Snickers appeared with some traditional mince pies somewhat battered by Brambles Bill's rally driving skills.... didn't spoil the taste though, washed down with Pussy Galore's excellent Mulled Wine.

In the circle the hares and hash snacked received the usual down downs followed by offenders of varying degree. Pussy Galore for not saving any Mulled Wine for the GM and Mingster accused of drinking it all!! Brambles Bill was also called front and centre for his contribution to the battering of the mince pies.

Our visitors from Wanchai Hong Kong Hash - Ugly Fat Bastard and Buzz were welcomed together with our Lincolnshire virgins Bill, Helen, David, Emma, plus local virgin Pom followed by H2H3 first timers, David & Shubh, Bob & Nancy, Andy & Jan. Junior members Josh and James were called in for completing the runners trail with Dad..Legs Wide Open also received a down down for some gross misdemeanour following which the circle closed and a healthy 40 or more hashers descended on Won's restaurant for some excellent victuals and refreshments.
