**HASH SNACKS:** Sodomy & Dave the Rave

**TAX COLLECTOR:** Tinks

**ICE MAN:** Mudman

**HASH SCRIBE:** No name Korn

**NUMBER OF HASHERS:** 20

The number of hashers was a little bit down this Saturday because a few wet weather wimps cried off but still 20 hardy hashers turned up. Everybody seemed to get to the run site OK except Hugs who cannot see HHH signs if they are red.

After a short circle and some instructions from the very handsome hare to set off and go left at the hut all hashers went off and followed the road right. Luckily his handsomeness was there to steer them in the right direction. A first tricky check did a good job of bringing all the runners and walkers back together. A bit further on in the run and another check let the walkers catch up the front runners putting Mud Lady in the lead for a short while but it didn't take long for Mudman and Flying Scotsman to head the pack once again. After a small farm and a right turn the runners went left with the walkers carrying straight on runners and walkers all got round the rest of the trail without any major mishaps or injury and then back to the car park for some beer and snacks and the circle.

Sodomy was brought into the circle to explain his co-hare Dave the Rave's absence due to injury on the last day of haring so couldn't make the run but would see everyone at the free On After at his place

### **On On no name Korn**

What else is there to say about the circle?

No name Korn got the first down-down as Hash Scribe volunteer (Thank you very much, Korn). Then Sodomy got a double down-down for haring a run where nothing went wrong in spite of the absence of his co-hare Dave the Rave.

Korn was called in again as a returner and as a possible candidate for naming but it was decided to postpone this.... so get your thinking caps on!

Next Flying Scotsman and Ang (from Hua Hin) were down-downed as returners too.

Sodomy got a further down-down for the very tasty and substantial snacks, Legs Wide Open as a Leaver for sunny (?) England for 5 weeks, Pussy Pedaller told a joke and that was it except for the announcements of the next Cha-Am run and the Fun Run on Wednesday.

Then it was On After at Dave the Rave's, with tasty food and good camaraderie.

On On,
