*Tha' knows: Yorkshire born and Yorkshire bred*

*Strong in t'arm and thicket hedge.*

**Location:** Close to Banyan Golf Club, Sanctuary Lakes & Greenfield Valley Fishing Resort

**GPS Coordinates:** N 12.475679, E 99.933852

**Google Map Link:** <https://goo.gl/maps/Kdj92sKdMDcJrBYN6>

**Hares:** Ding-a-Ling and Cock in a Frock

**Biermeister Team:** Jock Twat & Legs Wide Open

**Ice Man:** Mudman

**Tax Collector:** Tinks

**Scribe:** Jock Twat

**Number of Hashers:** 40

**Pre-Hash**

The weather was overcast threatening a down pour, but luckily the rains stayed off. The car park used was both sides of a forest road parking under the trees. Mudman's pitch was obscured by overhanging branches, sooooo.....He set about cutting down the obstruction. In doing so he made half a million angry red ants homeless. These little b'stards soon took revenge on anyone wearing a hash t-shirt. MM's truck complete with one legged chicken and the beer truck were swiftly repositioned to a safer location.

**Briefing**

The hares of the day were that double act 'Ding-a-Ling and Cock in a Frock These two hash stalwarts are renowned for their trails. Some unkind hashers might say "They set very low standards and further more.....fail to achieve them." No barbed wire, dodgie doggies or mad moos were on the cunning plan for today. The On On was pointed. So off we trudged.

## The Trail

It was very pleasant walking along the path between the forest which brought us out to a T-junction with elephant grass on one side and pineapple field on the other. Most of the time we were on path which helped the pack stay together.

As we were in a hilly location, the views of the surrounding countryside were quite spectacular. The trail took us through a banana plantation where much head banging took place.

Long walk was 6.3 km & the short walk was 4.1km. Well done to the hares for a most enjoyable walk.

## The Circle

Pack was called to a semblance of order around darkish o' clock by GM Tinks.

### Down-Downs:

**Hares:** Ding-a-Ling and Cock in a Frock The long/short walk was a single trail, lack of paper in places. But both trails voted with a thumbs up. DaL blamed CiaF for lack of paper as it was his job to lay it as the goffer. Excellent trails guys.

**Tea potting:** Brambles Bill & Hawaii Five O

**Yorkshire National Day:** Ding-a-Ling Matron (Matron's Yorkie credentials were questioned; it appears he's a wanna-be clog-hopper).

**Swiss National Day:** Rubber Scrubber, Rubber Scrubber's Bugger and Golden Rain (GR a Swiss passport holder, much to the surprise of RD!).

**Visiting GM:** Visiting GM Cartoon from Chiang Mai. When one GM drinks all past GM's and present GM's drink so joined by Tinks, Legs Wide Open, Rubber Duck, Cathusalem & Dutchy.

**Visitor:** Saffi joined by mum Hot Pot.

**Cheap Charlie:** Legs Wide Open for doing a runner from the On After restaurant the week before without paying (Many cries of "Good hasher!").

**New shoes:** Golden Rain. As per hash tradition, a down-down is consumed from one new shoe. As RD purchased the shoes, he too was subject to a DD from the other shoe. His verdict? "Drinking flat, warm Leo from a sweaty plimsole was still better than Chang!"

**Teapotting:** (again) Hawaii Five O caught plus Dutchy deliberately Teapotting to get a DD. (Maybe we should re-christen Dutchy "Double Dutch".....stop that sniggering!).

**Lost hashers:** Blamed it on the GPS but as Mudman says do not rely on the dashboard monkey, follow the narrative (Cries of "Ooooooh!").

**Next week's hash:** RD hare for CAH3 next Saturday, Location and On On at the Breeze Bar. Some interesting obstacles and beware of some hungry lions.

## **On After**

### **Menu**

The On After was at that ol' hash favorite restaurant, Coconuts. To celebrate Yorkshire Day, they provided good Yorkie grub.

Always remember; never let the truth get in the way of a good story.

That's all folks.
