Pre-Hash

The Run took place on a sunny and yet cool morning at the unusual time of 10.00am and was surprisingly well attended.

Pre-Hash Circle and Trail.

Off we set through the typical Hugs terrain, prickly at times. We had not gone far when we came across a very pleasant lake which was a definite photo op. For some. On we went through woods, scrub and pineapple fields and more smaller lakes. We made our way up to the elephant enclosure at the Safari Park, where more photos were taken of the elephants. We continued past the very busy Safari Park and down the hill to

the Fishing lodge and beyond. Walkers were now in sight of the Car park, in the distance and the pace quickened in anticipation of the sausages sizzling on the Bar B Que.

Post Hash Circle and Down Downs.

On arrival back, some had already sampled the fare (thanks to Matron) who prepared wonderful proper sausages and onions. Fresh bread rolls and condiments were available to make your own Sausage Rolls to your taste. In addition, two trays of beautifully prepared, and healthy, Banana cake had been donated by Bite Mark and Easy Off. Many thanks.

With the Sun now high in the sky, and the temperature rising it was time for a very, short Circle led by Ding a Ling and Pussy Peddler.

Down Downs (as recorded by Tinks)
