## WRITE-UP (various contributors)

### Cathusalem

The hares announced that there were several false trails and at the end of each there was a piece of ladies underwear and there would be a prize for whoever found the most items. Bush Whacker brought back the most, about 10, followed by 3 or 4 each by Mudman and Sodomy. However, according to Sodomy's account he might not have made it back in time for the circle. The few items of sexy underwear in his sweaty hands apparently sent him into a spin and, if Tinks hadn't arrived to show him the way, he'd have headed for the nearest road. This would have meant he'd be late back unless somebody gave him a lift...and then what would he have done with the underwear?

### Rubber Duck

Very easy walking, the wide tracks made it easy to talk to fellow hashers but were not varied and became a little monotonous. The false trails were a good idea, unfortunately the fast runners, mainly Bushwacker, found all the prizes, walkers had no chance. The runners were a little confused after the split and had the longest hash in my memory, about 8.2k and nearly 105 minutes. Overall most people enjoyed it. Snacks were very good and Legs Wide Open saved some for the late back runners. As always the On After, at Thai Kitchen, was good.

### Ballbanger

The April Fools run is/was the only run that I can recall in the history of the H2H3 or CAH3 where part of the run ran clockwise and part of it counter clockwise. When the runners took a turn in the trail that sent them onto Springfield Golf Course they were running in the opposite direction than before the turn and then they were running clockwise again once they found themselves back on a trail they had already run. Had they stayed on the Rambo

Endless Running Route and not taken the Sissies Surrender Shortcut, all who opted for the longer trail would still be out there running counter clockwise on April 2nd.

## **CIRCLE NOTES** (by Cathusalem)

First into the circle were the April Fools who'd found all those false trails bedecked with ladies underwear. Bush Whacker had the most and it seems he was sure the prize was to sit on the ice because he fair dived straight on to it. What a good sport! He duly took his down-down on the ice while fellow perverts Mudman and Sodomy drank theirs standing up. Bush Whacker was told to stay on the ice to drink another down-down from his real prize, a pewter tankard with a glass bottom presented by Ballbanger...very nice too.

Further down-downs were awarded as follows:

- The other runners who'd successfully negotiated the hares' (intentionally) confusing trail without finding any underwear. These were Tinks, Hong Kong Dong, Spook, Ahmedashed, Slime and Lucky Me
- Hares Ballbanger and Onefer for procuring all that ladies underwear
- Returners High 5 Forever and Sodomy
- Leavers Spook and Hong Kong Dong
- GMs Cathusalem, Hugmanannygoat, Tinks, Rubber Duck, Onefer and Dutchy all got a down-down on the basis of "one GM drinks, all GMs drink" after Cathusalem made a boo-boo by calling in Tinks as a leaver, which he had been at CAH3 the week before. Cathusalem should have realised that the Hong Kong Sevens had been specially re-scheduled so that Tinks would not miss H2H3.
- Next week's hares were not there but Cathusalem provided scanty information about the location of next week's hash

## **ON AFTER**

The On After at the Thai Kitchen was attended by about 15 hashers, several of whom enjoyed Khun Lek's famous mixed grill and a good time was had by all.
