WRITE-UP by Karaoke Queen (Virgin Scribe)

Already feeling down in the dumps about the Lion's defeat by the All Blacks the weather matched my mood, but luckily it cleared and after all the weather does not stop a true hasher. Wondering why Cathusalem is struggling up the track with a breeze block in his arms but it was for the Union Jack flagpole to remember UK Armed Forces Day.

Off we head fearing the worse as Ballbanger does not suffer wimps lightly, fearing for our lives we head for the hills, only to be pleasantly surprised with the lovely scenic countryside which we were able to enjoy rather than looking down watching for holes, rocks, cliffs and falling down mountains . Of course if there is any danger concerning crocodiles and other marauding predators we have our very own Crocodile Dundee Onefer at the ready with knife in hand and running shoes fastened in case of a quick get away is required.

All back to the finish in one piece to enjoy the delicious snacks supplied by Dragontail and booze. One hasher ended up on the ice, being Tinks as he could not control his other half, so while Apple storms off to cool down, Tinks is left to do the same.

The choir was in good form, Ok so we are not always perfect but a good time was had by all.

Hope that this is OK, I had the feedback by someone who wishes to keep their identity secret in case they get roped into being Hash Scribe.

On On,

CIRCLE NOTES

Down-downs were awarded by Cathusalem as follows:

- Hares: Ballbanger and Onefer got the thumbs up from participants on all trails
- Dragon Tail got a rousing cheer for her delicious snacks
- Golden Delicious was called as her birthday was exactly that day. The Thai girls all called for her to down-down the beer handed to her but the birthday girl said she wanted water. When hubby joined in telling her to drink it down, she became even more determined not to drink it.
- The result was a vociferous call for Tinks to sit on the ice for not controlling his lady while the male members of the choir admitted "there for the grace of God go I"

Rubber Duck then took over for UK Armed Forces servicemen awards:

- Crabfats, RAF, Jock Twat and Mrs. Pongo
- Matelot, Navy, Paddy Red Belly
- Army, Screwdriver
- Bootneck, Royal Marines, Rubber Duck

Pussy Peddler then took over to down-down

- Visitors: Slick (from Sydney H3) and Mrs Slick (from Thailand)
- Leavers: Slick and Mrs Slick who were happy to get another down-down and promised to come back soon
- Next week's hares: Rubber Duck and Pussy Peddler

ON AFTER

About 20 hashers went to a newish restaurant on the Bypass accessed from the road to Silpakorn University and the Thai Kitchen restaurant. <https://goo.gl/maps/8MbgLPY8yPm>

ลุงนวยปลาเผา **Uncle Nui's Grilled Fish**

It's quite a large place with a large parking area and it would seem ideal for our high season larger numbers if they can provide more serving staff.
